VOL. 49 — No. 36

Hancock Board Supervisors To Provide For Bathing Beach

Offer Pine Hills For Government Use

CITIZENS OF MISS. GULF COAST TO OFFER PINE HILLS FOR PLANE BASE

Various Official and Civic Organizations to Offer Property to Government as Defense Preparedness—Petition Sets Forth Advantage for Such Base; Action Approved.

A proposition to be made to the federal government by the citizens of the Gulf Coast of the State of Mississippi, concerns the selling of Pine Hills Hotel and adjacent land premises for the proposed purpose, namely: "To acquire and develop in promotion of the national defense program, etc cetera the Pine Hills property."

The citizenship of the Gulf Coast suggesting and submitting this property to the government for defense purpose is represented by Board of Supervisors of Hancock county, Board of Supervisors of Harrison county, City Council and Chamber of Commerce of Bay St. Louis, City Council and Chamber of Commerce of Pass Christian, City Council and Chamber of Commerce of Gulfport, City Council of Long Beach, "each and all acting in concert in behalf of the State of Mississippi and in promotion of National Defense and public welfare."

By contact, with those in authority, the petition says, "four petitioners are assured that for the consideration of approximately 12 1/2 per cent of its original cost * * * the property may be acquired by the government." The tract of land consists of approximately 18000 acres. It is also pointed out in the petition adjacent land it needed may be purchased and is available at reasonable price.

Property might be used for a seaplane base. We quote from the petition: "Said property is so situated as to afford a most desirable seaplane base, with a four-mile water clearance for seaplanes to 'take off' or amphibian runways in two directions. A three-mile water front including riparian rights runs with the property."

"The property, as to lands, is so situated as to consist of a high elevation or hill near the northeast part thereof, with most desirable land topography for air port facilities—can be converted thereto at minimum cost, affording a runway or 'take off' at right angles from the foot or base of said elevation in a westerly direction a mile and a quarter and in a southerly direction one mile to the water front or seaplane base at the estuary referred to."

Location and distances from various strategic points are described. This proposition was read before the Bay St. Louis Rotary Club at its regular luncheon meeting Wednesday by President H. Grady Perkins. It will be presented to the government by Representatives Pat Harrison, Bilbo and Colmer to the proper channels for proper consideration.

Disposing of Interior of Hotel.
Pine Hills Hotel furnishing were recently sold to Hotel Buena Vista, Biloxi, and the lovely salon and lobby sets may be seen there to advantage of the hotel.

It is reported the laundry located within Pine Hills hotel basement was sold to parties who at present are dismantling the plant and taking it

RAMSEY BUILDING ATTRACTIVE

Outstanding Contribution to Beauty and Substantial Side of City And Vicinity.

The beautiful new structure which is nearing completion on North Beach near Main street for Dr. B. L. Ramsey caused quite a bit of favorable comment from many of the visitors in our midst over the week end. The building is certainly a handsome one with its gleaming white cement exterior brought out to advantage by handsome chrome and black trimmings and a great enhancement to our fast-growing business section. This building to the principal business section of the city, on the beach, is decidedly a substantial contribution to the solidity and future of Bay St. Louis. Dr. Ramsey is to be commended not only for his enterprise and the confidence he has shown in the future of this locality, but for his vision which stamps him as a citizen who has vision and who is contributing so substantially to the success of both the city and county as well. Men who build and do, who have the courage and initiative are living and vital factors and are deserving of encouragement.

SEVERAL PERSONS HURT AS RESULT OF COLLIDING CARS OUT HIGHWAY 90

Two White Men in One Car and Three Negroes in Others Sustained Painful and Serious Injury—All Treated At Bay Hospital—White Patients Removed to New Orleans—Colored to Picayune.

On Sunday night about 9 o'clock on Highway 90 an automobile accident occurred when two cars collided near the B. & L. Tavern. Several persons were injured. Automobiles contained persons returning to New Orleans and Picayune after a holiday spent on the coast.

Al Bath, thirty-one, of New Orleans and A. W. Pritter, thirty, also of New Orleans who were returning from Bay St. Louis together sustained injuries as follows: Mr. Bath suffered a number of bruises and cuts about the head, and Mr. Pritter suffered a severe cut on the leg and both were given emergency treatment at the local King's Daughters' Hospital, and on Monday removed to New Orleans for further treatment and examination to determine the full extent of their injuries.

In the other automobile, three negroes, Willie Mae Phillips, Charlie Anderson and Jessie Williams, all of Picayune sustained many painful injuries and were removed to a hospital in Picayune after emergency treatment at the hospital here.

George R. Rea Returns Home From Chicago Trip
Mr. George R. Rea, who has been ill at Chicago the past several weeks, returned home Tuesday noon by rail, accompanied by Mrs. Rea and his sister, Miss Decima Rea, who have been with him during his illness. Mr. Rea is doing well and on the road to recovery. After a rest at home for a while, it is expected he will in due time be at his office again. Mr. Rea left Bay St. Louis several weeks ago for a convention of Kappa Sigma national fraternity, of which he is treasurer, when he was taken suddenly ill at the time with high fever which, at the time, physicians declared malaria. Further ailment developed and he was transferred from his hotel in Chicago to the Edge-water Hospital. The Echo learns with much satisfaction of his recovery.

With several oil companies having conducted these explorations in these counties at different times and just last Fall giving a negative verdict in their findings, it is encouraging to note that one of the larger oil companies has returned and we hope it is indicative of the prospect that Hancock county may after all enjoy an oil boom.

POSTMASTER FORD REGISTERING ALIENS FOR GOVERNMENT

Listing and Finger Printing Foreigners to Continue To December 26.

In conformity with an order from the federal government, Post Master Leo G. Ford, of the Bay St. Louis postoffice is registering aliens and finger printing them as well. Each answers a questionnaire and the matter is very simple.

This registration started August 27 and will continue thru to December 26, says Mr. Ford, and any one who is an alien, residing locally or from away may register at the local postoffice. It does not matter where the applicant is from.

The larger number of aliens already registered includes the Italian race principally. This nationality is in majority. Then follows Cobans, English and Irish. No other nationality as yet has registered, however, it is known there are many others locally.

Aliens 14 years old and under are simply registered. No finger prints are taken.

Students from Cuba and the South Americas will be required to register. There are quite a number of German residents here who will also register and be finger printed.

There is no fee charged for this; no obligation. And the fact an alien is registered imposes nothing other than the fact the government has official record of all who are not American born.

Post Master Ford says the process is very easy and aliens who have registered have done so cheerfully and most willingly.

VISITORS FROM MEMPHIS.

Mr. J. H. Scharff, brother of Mr. Joseph R. Scharff of this city, accompanied by Mr. Leonard Jones, both prominent residents of Memphis, motored down to the Gulf Coast for the Labor Day week-end and were house guests of Mr. Scharff at the family home on Carroll avenue. The party spent their time fishing, swimming and general outdoor recreational pastimes.

RECENT ELECTION RETURNS

Give Senator Bilbo 28,693 Majority—Judge Griffith Announces He Will Retire After New Term.

The Mississippi Democratic executive committee named U. S. Senator Theo G. Bilbo as the party's nominee for re-election, and certified his majority over former Governor Hugh L. White in the August primary at 28,693 votes.

Five other candidates who received majorities in the primary were declared party nominees, tantamount to election.

The official tabulation of the returns showed Bilbo received a total of 91,334 votes while his opponent polled 62,641 votes.

The committee turned over to a sub-committee a resolution calling on Mississippi's congressional delegation for assistance in the drive for funds for the Democratic presidential campaign after Herbert Holmes of Senatobia, committee chairman, said he had been informed Bob Collins, Jackson attorney, had been recommended as financial chairman for Mississippi.

The official canvass of the August primary votes, as reported by the committee, included these totals:

For Supreme court, first district—Judge Julian P. Alexander, nominee, 29,403; Associate Justice Geo. H. Ethridge, incumbent, 20,353.

For supreme court, first district—Chief Justice Sidney Smith, incumbent and nominee, 27,687; Chancellor V. J. Stricker, 21,934.

For supreme court, 2nd district—Associate Justice Virgil A. Griffith, 28,030; Judge R. W. Cutler, 26,173.

For supreme court, third district—Associate Justice J. G. McGowan, incumbent and nominee, 31,221; Fred H. Montgomery, 15,929.

For Congress, fourth district—Rep. A. L. Ford, incumbent and nominee, 12,100; Kenneth Rayburn, 6,004.

Judge Griffith was present at the meeting and expressed brief thanks for the "action of the voters and the committee." Griffith announced that he would retire at the completion of the six-year term which he will begin serving on January 1, 1941.

KENO PARTY FOR ST. MARGARET'S NETS HANDSOME SUM

Local Merchants Contribute Gifts to Make For Winners More Attractive Benefit.

On Tuesday night a benefit keno party was given at Trapani's for St. Margaret's Daughters when a nice crowd of Bay St. Louis' citizens responded and played keno for charity's sake.

A sum of \$30.00 was realized between the keno party and the raffle of a cake donated by the Bobby Anne Bakery and the party was considered a success.

A number of merchants and individuals most generously responded to the cause and donated groceries and candy and between every few games, a prize-roll was announced when in addition to winning a cash prize, the winner also won such articles as coffee, cream, sugar, etc.

The cake raffle was won by Miss Levia Engman.

At the cashier's desk, Mrs. Theo Tudury made an able cashier for the evening and Mrs. G. Y. Blaize, president of St. Margaret's and Mrs. Claude Monti assisted in the party.

To everyone attending and donating in any way, and to Mr. and Mrs. Trapani and the employees of the establishment the organization wishes to publicly express its thanks in their assistance in this worthy cause.

Bay Sea Scouts To Be Given Outing Before Bidding Adieu For School

The Sea Scouts are anticipating a pleasure cruise aboard the Sea Scout Ship Cavalier next week in order that scouts leaving shortly for college will be able to enjoy a cruise with the entire group of Sea Scouts. The cruise will probably be out to the islands of Mississippi Sound and along the Coast and fishing and sailing will be the activities.

REALTY TRANSFERS ARE ACTIVE JUST NOW IN BAY-WAVELAND

City's Excellent Schools Prove Great Drawing Card for Augmented Population.

With the advent of each new season, there is generally a change of residence by many persons and rentals and purchases in real estate. At present there are several real estate transfers and rentals pending between property owners and persons purchasing or renting residences especially by persons coming to Bay St. Louis to enter their children in school for the coming session.

Two of the Montgomery cottages on Sycamore which had been rented to the Gladney and deAngles families of New Orleans for the summer months were vacated and one of them has been rented to a family who expects to enter their children in our local schools.

St. Stanislaus College, St. Joseph Academy and the city schools are outstanding and recognized by all seeking the best in schools. It is no wonder, then, that so many locate here year after year to enjoy advantages offered locally.

Circuit Court For Hancock County To Convene Monday, 9th.

Judge L. C. Corbin will open the Fall term of circuit court for Hancock on Monday of next week, September 9. The term is expected to run according to the docket for about two weeks, but the Judge and his court expedite matters so well that it is safe to say the full time allotted will not be consumed.

Judge Corbin expedites the business of his court in that manner that saves the county tax-payers considerable money and in addition thereto transacts the business quickly, which is to the liking to litigants and others.

This term, as all others, is for criminal and civil cases. There will be the usual grand jury and procedure of court in the regular form.

CHARLES ZERR VICTIM OF AUTOMOBILE RUNNING AMUCK ON SIDEWALK

Sustains Broken Bone Between Knee and Ankle—Was Walking On Sidewalk at Pass Christian When He Was Struck Unaware—Will Be Laid Up For Several Weeks, Attending Physician States.

While Mr. and Mrs. Charles Zerr and Miss Geraldine Ames, on Friday, were visiting the business district of Pass Christian, on Davis avenue, near the Arcadia Ice Cream Company's premises, Mr. Zerr alighted and was walking along the sidewalk, when he was struck by an automobile.

The car was driven by a young woman guest of the owners' family of the car, S. M. Lemarie, engaged in real estate business at 829 Union street, New Orleans, who claims to have lost control of the wheel.

The car, it is stated, going at a speed of 50 miles an hour, estimated by Mr. Zerr, became unmanageable when the driver mistook the accelerator for the foot brake and struck Mr. Zerr unawares.

He was thrown to the sidewalk by the impact and drenched with water from a fire plug by the car's wild gyrations. The car hit him first, he states, and then the fire plug which was demolished and caused the car to halt.

He thought nothing of the hurt at the time and spoke of his injury negligently and went about his duties the same night at the A. & G. Theater. However, during the night, great pain set in and an x-ray examination the next morning at the King's Daughters' hospital revealed a broken bone, the smaller one running along side the larger one down the shin of his right leg.

Dr. A. P. Smith, the attending physician, had him immediately confined to his room, dressed the injury and stated it would be quite a while before the leg could be set in a cast, that it would first be necessary for the inflammation to be removed. It would be possibly necessary to keep the limb in a cast for four weeks. In doors for five weeks.

Mr. Zerr is widely and popularly known. He is chief operator of the A. & G. Theater film projecting rooms, being an old and professional hand at this work in New Orleans for many years.

He is extremely popular with all who know him and the news of his accident and its painful results will be learned with concern. He was truly the innocent victim of an unattentive driver, who, it is said was driving at an unsafe speed and somewhat a novice at the wheel.

Mr. Zerr said no legal action was contemplated even though it appears to be an occurrence entirely unwarranted. Ladies in the car were terribly shocked over the accident and expressed extreme chagrin and their proffer for service was most profuse. He was immediately taken to a drug store and later conveyed to his home.

CO. AWARDS CONTRACT FOR BUILDING OF DREDGE BEACH IMPROVEMENT

Lester S. Alexander to Build Dredge Boat for Sum \$64,000—To Be Finished in Four Months—Vessel Constructed Steel Hull—To Create Protection to Seawall and Finest Bathing Beach in Country.

LABOR DAY PASSED OFF SERENELY

Crowds Visiting Gulf Coast Without Precedent—No Accident To Mar Pleasure of Day.

Bay St. Louis, Waveland and surrounding community was extremely well populated for the Labor Day week-end with throngs from New Orleans and vicinity renting cottages and occupying every available space possible, and picnickers and campers enjoying the beaches and wooded sections.

Over the highways was seen one of the greatest displays of automobile traffic with gay parties travelling to and from the many bathing beaches along the coast and fortunately, in this section, there was no record of serious mishap to mar the pleasure of the holiday.

With nearly all businesses ceasing operations and enjoying Labor Day, and with no ceremonies marking the day, the citizens of Bay St. Louis enjoyed Labor Day in a quiet and sane way, and except for the hospital for which its citizens are known when on each holiday, hardly a home here is without its complement of guests, Labor Day marked the official end of our summer season.

The county will use the dredge for building sand against the seawall, after the federal government will have revamped, repaired and in parts rebuilt the seawall, and will be in continuous use giving work to local labor.

Purpose of the Board is to build not only a measure of protection to the wall but to provide for a bathing beach that will extend from the wall out to a half mile into the waters of the bay and sound. This will be of sloping kind, with hard sand bottom and to extend from one end of the county riparian rights of way to the other—the entire distance of the seawall. It was stated that much, if not all, would be finished in time for next summer, an attraction for this section of the coast that would attract thousands of bathers and others. The enhancement of beach property will be augmented, and add value of inestimable proportion.

The Board of Supervisors of Hancock county as a whole and its members individually are to be congratulated on this enterprise and fine piece of enhancement they are going to give the Bay-Waveland section, and which would also the interior of the county.

Mr. Charles B. Murphy, president, and members Ed. P. Orte, John Wheat, Calvin Shaw and Lander Nease and Clerk A. G. Favre, an outstanding factor in this enterprise, are to be congratulated on their vision and willingness to spend with manifold return. The outlay is negligible compared to the results to accrue.

W. P. A. funds will be matched with the local outlay and there will be no delay in consummation of the plans.

ARRIVAL AT HOWARD CUEVAS HOME.

Mr. and Mrs. Howard Cuevas, who reside corner South Beach and Booker street, have a new arrival in their family, a daughter, who arrived Sunday, September 1, at the Bay St. Louis King's Daughters' Hospital.

This is the fourth acquisition to the interesting family of Mr. and Mrs. Cuevas.

NAVY YOUTH VISITING HOME.

Eugene Manieri, son of Mr. and Mrs. Roger Manieri, who reside on Washington street, who is an attaché of the navy aircraft service, is spending a two-week leave with his parents and home folks.

In regular session Tuesday, Hancock County Board of Supervisors awarded the contract for building of a new dredge, to be owned and operated by the county in building support to the seawall and for the purpose of creating in time one of the finest bathing beaches in the county, barring none.

The contract was awarded to Lester F. Alexander, of New Orleans, and resident of Bay St. Louis, whose lowest and best bid was in the sum of \$64,000. This amount provides for the building of a new dredge, measuring 26x60, equipped with an 8-inch pipe dredge and 20 h. p. Diesel engine. The hull will be of steel and balance of the boat will be in keeping, and providing for the best and the most lasting and practical material.

The craft is to be completed within four months, it was stated by the authorities. This bill was originally submitted at the August meeting of the Board, but was laid over to September meeting. This gave members of the board time to check up and to make sure this was the lowest and best bid, and that every angle contributing to the benefit of the county and tax-payers was not overlooked.

(The dredge will be owned outright by the county. It will be remembered some time back a \$75,000 bond issue was put through for that purpose. This was affected somewhat previously for the fact the Board wished to be assured of funds and have same in hand before negotiating for the necessary boat and necessary paraphernalia. The Board did not wish a second-hand dredge, even though the purchase price was by far below the cost of a new one. The county will use the dredge for building sand against the seawall, after the federal government will have revamped, repaired and in parts rebuilt the seawall, and will be in continuous use giving work to local labor.)

Purpose of the Board is to build not only a measure of protection to the wall but to provide for a bathing beach that will extend from the wall out to a half mile into the waters of the bay and sound. This will be of sloping kind, with hard sand bottom and to extend from one end of the county riparian rights of way to the other—the entire distance of the seawall. It was stated that much, if not all, would be finished in time for next summer, an attraction for this section of the coast that would attract thousands of bathers and others. The enhancement of beach property will be augmented, and add value of inestimable proportion.

The Board of Supervisors of Hancock county as a whole and its members individually are to be congratulated on this enterprise and fine piece of enhancement they are going to give the Bay-Waveland section, and which would also the interior of the county.

Mr. Charles B. Murphy, president, and members Ed. P. Orte, John Wheat, Calvin Shaw and Lander Nease and Clerk A. G. Favre, an outstanding factor in this enterprise, are to be congratulated on their vision and willingness to spend with manifold return. The outlay is negligible compared to the results to accrue.

W. P. A. funds will be matched with the local outlay and there will be no delay in consummation of the plans.

Supertane Company Of Bay St. Louis Opens Office in Pascagoula.

(The Supertane Gas Company of Bay St. Louis has recently opened a branch office in Pascagoula occupying half of the Cassanova Building located on Delmas avenue and which will be in charge of Paul C. (Billy) Bourgeois, youngest son of Commissioner W. L. Bourgeois, and from which location, business in connection with the dispensing of Supertane Gas to consumers along the Coast will be conducted.

CREW OF TWENTY-FIVE TO RETURN TO HANCOCK TO EXPLORE SOIL FOR OIL

Crew With Headquarters in Biloxi Will Work Here—With Negative Verdicts by Other Companies Previously, Company Is Not Discouraged—Would Indicate Possibilities For Success Must Exist.

A crew of twenty-five men under direction of Superintendent George O. Morgan with offices in the Hotel Tivoli at Biloxi expect to begin oil exploration work in Hancock county shortly.

The oil explorations will be conducted by the Humble Oil Company which will also work in Harrison and Jackson counties and which work will require several months time to

CONSUMER PROFITS HERE.

TODAY much of the world faces the grim specter of famine. But here in the United States we still have the blessing of plenty.

A Department of Agriculture survey shows that abundant supplies of nearly all foodstuffs will be available for the coming year. Increases in production of edible fats and oils are expected to continue. The fresh fruit supply will be slightly above last year, and large wheat and rice crops are anticipated. In the case of most foods, there will be enough to meet all domestic requirements, and to provide surpluses for export.

Other surveys indicate that the demands of war material production in our factories will not seriously dislocate production of consumer goods. We may have to do without a few manufactured luxuries as time goes on, altho there will be plenty of the necessities.

If our productive facilities are to prove of maximum benefit to the consumer, another factor must enter in—and that factor is the distributor. Abundance on the farm is wasted unless the crops can be delivered to the buyer at minimum cost. And efficiency in the factory can be offset by the inefficiency and waste in distribution.

But the consumer need not worry. The American distribution machine, like the American productive machine, is the most efficient in the world. Our competitive system, with all kinds of distributors, chain and independent, seeking to outserve each other, must be given credit for this. When you enter a store and make a purchase you're getting more for your money all things considered, than the buyer in any other nation.

INDIFFERENCE OF LOCAL VOTERS.

THE tabulation of votes from twenty-two precincts in Hancock county in the primary election in which Senator Bilbo and Associate Justice Griffith were the victors last week showed an exceedingly light vote in this county, a condition which should be noted with alarm as persons eligible to vote, should avail themselves of the privilege in every election if Hancock county is to receive proper recognition in state affairs.

The indifference of citizens to their privilege of voting is noticeable in all but city elections. Voters should realize that in times, when every effort is being made to improve economic conditions everywhere, if they do not evince the proper interest in state elections, it is only reasonable to assume that our county will not receive the assistance it badly needs. Outside aid, State and Federal, is based according to the voting population.

A BETTER WATERMELON.

IN the midst of elections and wars it is refreshing to hear, via the coastal experiment station of the Department of Agriculture in South Carolina that a new streamlined watermelon will make its debut in 1942.

Let there be a misunderstanding we hasten to record our hearty approval of present types. The crop this year has been excellent but there are few good things that cannot be improved.

According to Dr. Bryan L. Wade, director of the station the new melon will be better in several ways. It will have bright red meat mature about a month earlier than customary and will be sweet and firm.

Now, what would be better news?

NO MONOPOLY OF MANNERS.

JUST because the United States is in the beginning of a Presidential election campaign there is no use for the people of the nation to become enemies because they support different candidates.

In a democracy the individuals are not expected to think alike. Each has the right to support the candidates he prefers.

In advancing the arguments for specific candidates let us recall, always, that there is no monopoly upon patriotism and brains in this country and resolve that no party, or faction, will have a monopoly upon good manners and fair play in all things political.

ANOTHER "NEW WEAPON."

A FAIR sample of the junk that is being published in this country from Berlin was the recent dispatch, disclosing that the German Navy is trying out a new "weapon" which will "surprise" the world.

This line of chatter has been coming from Germany ever since Hitler began his belligerent tactics. The latest yarn says that he device is being tested in a harbor visited by correspondents but the exact nature of the surprise is, of course, as you would suspect, "withheld."

SUNDAY DAY OF PRAYER.

NEXT Sunday, September 8th has been designated by President Roosevelt as a day of universal prayer for the cessation of the war, and the congregations of all churches have been apprised of this fact with the request that everyone attend church on this date and offer up special prayers for peace in the world.

Many a vacation ends with the patient needing rest more than ever before.

LABOR DAY FROLIC.

LABOR Day was created and made a holiday by the national government as a tribute to labor dedicated to the labor of men who toil by the sweat of their brow; to those who work with their hands and skilled minds.

This tribute to labor is fitting and it is well that a nation like ours should recognize the laborer, since he is just as much the backbone of the country as capital is necessary for labor to function.

But this holiday, in these parts and many other sections has been turned into an orgy of fun-making, a feast of frolicking and the day is too often spent in idleness while it may be spent advantageously in production. Many firms, companies and others are the losers of untold dollars in the aggregate paid to men who take this holiday under the guise of Labor Day.

And the outstanding result of this holiday, sad to relate, causes death and disaster over the country.

While we locally have escaped the customary toll, the Associated Press from over the nation reports many lives lost and property destroyed as the result of a misinterpretation of the majesty and significance of Labor Day in true sense.

In the industrial cities the day means for an outpouring of men and women who march in parade and inscribe in the public mind the importance of their calling as a contributing factor to the economic side of our daily lives.

But locally and elsewhere it seems to be a day for thoughtless frolic. It invites death and disaster.

BRITISH FLIERS SURPRISE WORLD.

IT IS impossible for anybody to tell how the aerial warfare is coming along in Europe out it is evident that the Germans, at least, are meeting with stern opposition and that the British air force has not been obliterated.

The performance of the British Air Force has been one of the outstanding surprises of the war. Time and again, at critical places, they have fought the German aviators to a standstill, notably at Dunkerque and along the British coast.

How long the British can stand the pounding that they are receiving is a question. Undoubtedly, they are taking heavy punishment as well as giving it to Germany.

The superiority that Germany has in the number of planes is vital and may prove to be the controlling factor in the aerial warfare. However, if British manufacturing plants are not destroyed and the United States speeds up the production and delivery of bombers the British will make a war out the struggle that will be enough to satisfy Mr. Hitler for a long time.

Fighting, as we believe they are, for the interests, as well as the ideals of the United States, we do not think it is wise for this country to withhold supplies from the British. The wisest course, as best we can tell, is to pour material into England and let the British use it against Germany.

PEPPER IS HONORED.

SENATOR Claude Pepper, of Florida, was honored in Washington the other day when a group of women, opposed to his strong preparedness stand, hung an over-all clad dummy labelled, "Claude Benedict Arnold Pepper."

The Florida Senator has been outstanding in his advocacy of prompt aid to the Allies and of speedy rearmament on the part of the United States. The female demonstrators consider this a strengthening to get us into the war.

Another stunt, adopted by the good women who are opposing conscription, is the draft "death watch," a group of mothers garbed in black crepe and heavily veiled, who sit silently in the reception hall of the Senate, trying to get over the idea that passage of the conscription measure will mean the death knell of democracy.

We do not agree with the ladies. In our opinion their black crepe is apt to be much more appropriate if this democracy fails to arm itself and prepare adequate defense. The death of democracy in this country will not come as a result of a conscription bill but it may occur if we have not enough trained soldiers to defend ourselves.

SPEEDING UP OUR DEFENSE.

IN order to speed up the construction of cantonments for the 400,000 soldiers to be inducted into service as soon as the conscription bill passes, the President has allotted \$25,000,000 for water, drainage and utility services at the proposed camps.

Of course, the money for the cantonments will have to come from Congress but since it takes longer to construct facilities for them than to build the wooden barracks the Chief Executive is speeding up the matter by all means at his disposal.

The long debate in Congress over the selective service measure is getting rather tiresome to most of the people of the country who are not being impressed with the ability of Congress to act in the national interest. While no one wishes to shut off reasonable debate and wise discussion it is felt that the debate has continued long enough to give opponents ample opportunity to make their record.

IN TIME OF PEACE.

THERE are people in the United States who think that Hitler will attack the United States if he wins his war against Great Britain. There are other people who do not believe this.

Nobody knows who is right. Consequently, the only thing for the United States to do is to be prepared for either course of action adopted by Herr Hitler.

This means arming the nation, training soldiers and making every preparation for complete defense. To do otherwise would be extremely foolish.

The business of a newspaper is to print the news; it has no responsibility for what occurs.

Hollywood Notes.

WALT Disney's musical feature, "Fantasia," which has been some two years in the making at a cost of about \$2,500,000, will be shown throughout the country on a road-show basis only, because of the vast amount of extra sound equipment required for its exhibition. For the first time, Disney has used human actors in a picture, whose actions blend with the animated action. Mickey Mouse is the only familiar character to appear in the feature, however. It will have its premier in New York early in November.

It seems that the sea has taken the stage of screen in Hollywood these days. Paramount has five marine epics anticipated or completed—Warner has four. These include respectively, "Botany Bay," "Mystery Sea Raiders," "Captain From Connecticut," "Dildo Cay," "Reap The Wild Wind," and "The Sea Hawk," "Captain Horatio Hornblower," "John Paul Jones," and "Quietly My Captain Waits."

Also popular in Hollywood, especially in picture titles, is the word, "Honeymoon." Ann Sheridan and George Brent have just finished their work in "Honeymoon for Three," and Myrna Loy and William Powell are scheduled to appear soon in "Strange Honeymoon."

Betty Brewer, 13-year-old newcomer, who a few months ago was dancing for dimes outside Hollywood restaurants until seen by a talent scout is making her screen debut with Fred MacMurray and Patricia Morrison in "Dangers of Fortune." Her present salary is \$150 a week and her mother gets \$75 a week more for standing by. They are repaying the Government the money they received while on relief.

Answering the public's demand for more Bob Hope, Paramount is planning to reissue "Thanks for the Memory," in which he was co-starred with Shirley Ross. Remember?

Ray Milland who was starred with Claudette Colbert first in "Arise My Love," will have her again as his partner in "Skylark."

Fred Astaire turned song writer and wrote a title song for his "Second Chorus" which Producer Boris Morros declared will be featured in the picture in a big way. Astaire is found doubting this, however.

Have you ever noticed the fact that brunettes speak better English than blondes? We haven't, but Edwin Maxwell, Hollywood dialogue director, says it's a fact. He says blondes are more conscientious of their "eye-appeal" and therefore expect their audience to overlook their bad grammar. Well, maybe so.

Paul Muni is back again at the studio (Twentieth Century-Fox) where he began his film career in 1928. He will have the lead in "Hudson Bay Company." Gene Tierney, by the way gets her second big part in "Father Takes a Wife."

During the portrayal of her role as the heroine in "He Stayed for Breakfast," Loretta Young wears 14 "changes," requiring a different hair-do for all but four. Melvyn Douglas as the radically-inclined waiter changes clothes eleven times.

Marlene Dietrich will introduce three new songs in her next picture, "Seven Sinners." They are, "I've Been in Love Before," "I Fall Overboard," and "The Man in the Navy," all written by Frank Loesser and Frederick Hollander.

MONOPOLY?

Appearing in Collier's Weekly, is the following editorial, which is worthy of notice:

How now, whether are we drifting, what the blazes, and all that? We refer to the Sherman Anti-Trust Act criminal charges brought by Thurman Arnold's anti-monopoly committee against the eight biggest tobacco companies, operating in the United States—American Tobacco Co., British-American, Imperial, Liggett and Myers, P. Lorillard Co., Philip Morris and Co., R. J. Reynolds, Universal Leaf Tobacco Co., Arnold charges these outfits with creating assorted tobacco trusts, then works around to this remarkable accusation:

By nation-wide advertising and sales promotion schemes the "Big Four" and Philip Morris and Co., Ltd., created such a perfect acceptance and demand for their major brands that—the offering of such products for sale being a necessary adjunct to the conduct of numerous wholesale, retail, and service establishments—such establishments are forced to handle the products even on unreasonable and arbitrary terms and at such prices.

In plainer English, the "Big Four" and Philip Morris build more attractive mousetraps, so to speak, that anybody else in the tobacco game, and let the world know they do, so the world beats paths to the doors of Camels, Chesterfields, Lucky Strikes, Old Golds and Philip Morris—and Arnold calls these typically American successes crimes. There can be no quarrel with legitimate government efforts to stop actually unfair trade practices. But this tobacco squawk is absurd.

The tobacco companies don't force retailers to sell their cigarettes. The smoking public, because it prefers these brands, forces the dealers to handle them. And the cigarette business, far from being monopolistic, is fiercely competitive. These brands have battled for years. When Camels' nose out Luckies for a quarter-year, or Philip Morris' edge ahead of Old Golds, or Chesterfields' outrun in field for a spell, its news.

As for cigarettes' unreasonable prices, the government certainly isn't doing anything to make them more reasonable. It now taxes popular-price cigarettes 6½ cents a package—meaning the manufacturers have

become so efficient that cigarettes could retail at something under 9 cents per package of 20 with reasonable profits if it weren't for the taxes.

Sure, we take all kinds of reputable tobacco advertising, and are glad to have it, and Mr. Arnold is welcome to make what he can out of that. So what? So just the same, Arnold's committee has gone off the deep end on a cock-eyed, fantastic prosecution, or else the Sherman Anti-Trust Act needs some drastic amendments. Probably a bit of both.

In Mississippi, the state tax is 4 cents, this bringing the total taxes paid by Mississippians to 10½ cents. Nine cents worth of cigarettes that cost 19 cents.

Monopoly? Big Trust? "Looks like there is, but in this case it is the Federal Government, and not the manufacturers."

Representative Martin Dies, he who is digging up the dirt on un-American activities, says there are six million Fascists, Communists and Nazis in the United States. This total is supposed to include all foreign sympathizers and those who would place obstructions in the way of national defense program. He did not say just how many of these are in Congress.

I LOST 42 POUNDS IN 60 DAYS
She Ate This Candy and Grew Thin by New, Easy Plan
Many women now can lose ugly pounds and have slender, graceful figures. No starving. No weakening diet. They simply follow this easy AYDS Candy plan and lose weight. Mrs. C. Miller, Chicago, writes that she lost 42 pounds in 60 days and feels 400 per cent better.
MONEY BACK IF NOT SATISFIED
Learn how women lost up to 6 pounds a week. AYDS delicious Candy contains vitamin A, B and C and essential food factors from whole milk, egg yolk, maltose and selected plants. Contains hunger without excess fat or calories. AYDS backed by a \$1,000,000 Turtur guarantee. (AYDS contains no drugs; so not recommended for overweight due to constitutional defects.) Only \$2.99 for a 60-day supply. Free delivery in plain wrapper. Satisfaction or money back. Just say to reduce. Mail orders filled promptly. Just phone.

HOUSEHOLD POET.

One of the best known and widest read, although not the greatest poet in America, is Edgar A. Guest. For years he has lived a normal life in Detroit and written his daily poems and his columns. For years he has been termed as having more philosophy and horse sense than meter or poetical structure. Americans continue to read his poems, make scrap books of them and buy them.

Edgar Guest, a prolific writer, uses for his subjects such things as the illness of his children or a baby's tooth or election day. These folksy, everyday themes are the appeal in his writings. He says what the average American feels, and says it in a droll way.

Mr. Guest has been on the payroll of The Detroit Free Press for 45 years since he was 15. His work began as office boy and ended with a column and a poetry corner. Today, at 59, he writes for a syndicate and turns his thoughts into printed words with the greatest of ease. He is one example of a wholesome American citizen, who plods along happily, fills his position to the best of his ability and ends as a celebrity.

Detroit is proud of Edgar Guest, has Eddie Guest Day observed in all civic organizations. He is noted for his brotherly love and for philanthropic spirit. His servants love him and stay for years feeling it a privilege to work "with" him. We might adopt a bit of Guest's philosophy: "He serves God best unto life's end Who plays the neighbor and the friend."

PASCAGOULA BUILT SHIP ACQUIRED BY NAVY.

The steamship Exchequer, now nearing completion in the Pascagoula Mississippi plant of the Ingalls Shipbuilding corporation, was sold to the Navy by the Maritime Commission.

It is the third cargo vessel of the C-3 design to be sold to the Navy by the Maritime Commission, which also has sold the Navy three high-speed tankers.

The price was not announced. The C-3 cargo vessels are 492 feet long, with gross tonnage of 7,925.

Bandsman—You know, that song just haunts me.
Seaman—Well it should you murdered it.

DELINQUENT REALTY TAX ROLL

STATE OF MISSISSIPPI
COUNTY OF HANCOCK

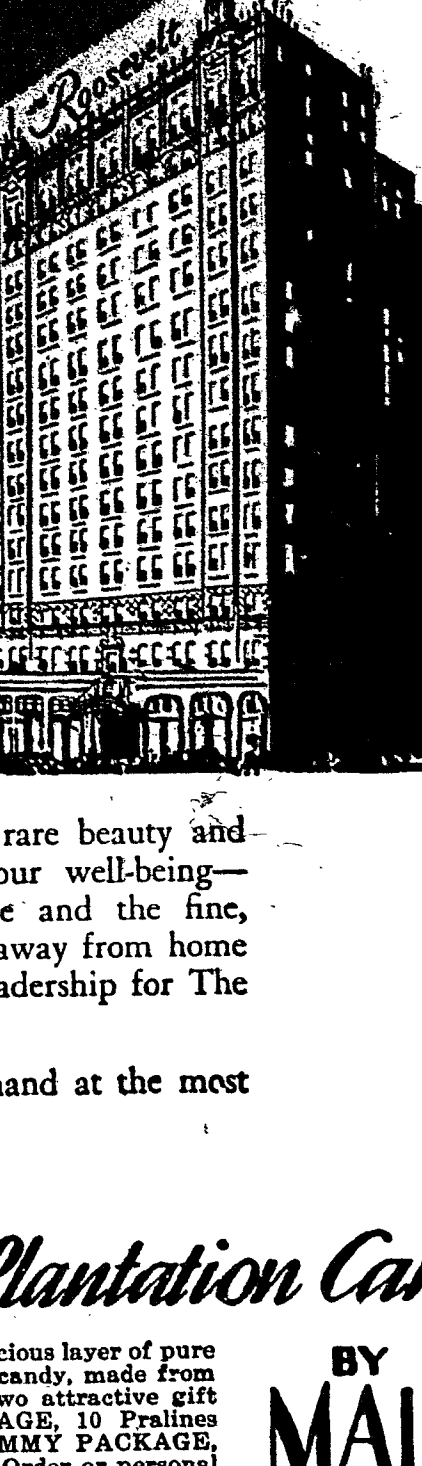

Notice is hereby given that I will on September 18th, (Monday) A. D. 1940, offer for sale at the front door of the Courthouse of Hancock County, Mississippi, in the City of Bay St. Louis, within legal hours at public outcry to the highest and best bidder for cash, the following lands, Delinquent for the State, General County Funds, Road and Bridge Refunding Fund, School Fund, Consolidated School Fund, Forestry Funds, Road Tar, thereon for the year 1939 or so much thereof as will be necessary to settle said taxes and all costs, to-wit:

CONGRESSMAN COLMER IS GRATEFUL FOR CHANCE TO SERVE

Public — Expresses Thanks and Solicits Continued Co-Operation of Constituency—Brief Resume of Career in Congress—Served Past Four Years.

Congressman Wm. M. Colmer, who was recently declared the Democratic nominee as Representative of the Sixth District, without opposition, has authorized this paper to express his appreciation for this continued opportunity for service in the House of Congress and for this further expression of confidence in him during these times of peril.

A World War veteran himself, Congressman Colmer years ago foresaw and foretold the necessity for this country to prepare for national defense. He believes that the road to peace lies along the path of preparedness. He says that the best insurance policy this country can have against being brought into a European war is a modern army and navy powerful enough to command the respect of the European war lords. Mr. Colmer says that, while it is true that such a war machine may never be needed—and he hopes that it won't—to need it and not have it would be fatal. He is recognized as one of the leaders in President Roosevelt's preparedness program.

In the comparatively brief time that Bill Colmer has been in Congress, he has gained the respect and confidence, not only of his people at home, but of his colleagues and the Nation's leaders. Two years ago the Democratic Administration in power signally honored him by placing him upon the all-powerful Rules Committee of the House. This Committee is the right hand of the Administration. All important legislation from every other committee of the house must secure the approval of the Rules Committee before it can be considered on the floor of the House. On this Committee with Congressman Colmer are some of the best known figures of the country, such as Martin Dies, of Texas, Eugene Cox, of Georgia, and Hamilton Fish, of New York. Incidentally, Mr. Colmer is the first man from Mississippi to be honored by a place on this Committee in more than twenty-five years.

It is highly gratifying to the people of South Mississippi to realize, in these perilous times to the country and to the world, that they have in Mr. Colmer a Representative who is trained by experience, familiar from long study with world conditions, and patriotically giving his best talents to the important position which he holds.

Mr. Colmer's statement follows: By your sufferance I have represented you in the American Congress for the past four years. You have now graciously renominated me without opposition, for another two-year term. The past eight years have been full ones. The country has been waging a war against the economic problems of the world. As a good soldier in the Democratic Party I have done my best to meet those problems. Now the country is busily engaged in waging a war of military preparedness in order to prevent a bloody war of aggression against this, the greatest of all democracies. I am duly appreciative of the grave responsibilities resting upon me as your representative during these days of danger to our country, when all of our ideals of government, our free institutions, and our very liberty itself are threatened; and I am deeply grateful for the confidence you have reposed in me. I humbly ask for your cooperation, your help, and your counsel in meeting the problems that confront us.

Sincerely yours,
BILL COLMER.

CYO AMATEUR HOUR FRIDAY CAPTIVATED INTERESTED CROWD

Senior and Junior Clubs,
Natchez Catholic Youth
Organization, Present
Outstanding Program

On last Friday evening at 8 o'clock at Knights of Columbus Hall on Main street, a large and enthusiastic crowd enjoyed the Amateur Hour given by the Senior and Junior Clubs of the Natchez Catholic Youth Organization, a most novel and entertaining affair.

With a number of clever performances, it would be extremely difficult to state which number was considered the best, although the judges after long and difficult consideration awarded the first prize to Joseph di Benedetto, Jr., in his excellent impersonation of that man of the hour, Adolph Hitler.

Miss June Elliott impersonating Lillian Russell ran a close second to Miss Marjorie Scafide who sang "Make Believe" from Showboat and was awarded first prize for the best girl performer.

A group composing a band playing "O Johnny O" with Miss Margie Elliott impersonating Bonnie Baker and singing over a microphone captured the prize for the best group. Other performers on the program were Miss Dorothy Heitzmann giving a twirling exhibition and Eloise Taconi in a vocal number.

Possibly the most amusing skit on the program was the "Operating Room" in which a number of miscellaneous articles were removed from a patient who had been rendered unconscious by a local anesthetic of the very newest type—a blow from a hammer on the patient's head and which, as the commentator described each step of the operation, made him completely relaxed. At the end of the operation, the operation was a success, but the patient had died and the undertaker was advised of such fact by the physician with the reminder of "his cut."

The last performance on the program was that of Arthur Scafide who excellently portrayed a great mystic, "Houdini" and who hypnotized Cyril Piazza and under whose complete domination, Cyril subconsciously regaled him self in a complete girl's outfit and later boxed with the great Armstrong.

The performance in its entirety was clever and highly amusing and entirely without practice and the young people are to be complimented on their first public affair: which it is hoped will be just the beginning of many others.

Schedule of Bay Saint Louis Methodists For The Coming Week.

Sunday, September 8, will be observed as National Day of Prayer, for our Nation and the peace of the world, as requested by the President of the United States of America. At 11 a. m. the pastor will preach from the subject, "The Source of Our Help," and at 7:30 p. m. from the subject, "The Biggest Fool in Town." Church School at 10 a. m.; Wednesday, September 11 at 7:30 p. m. Midweek service followed by a meeting of the board of stewards. Services in Waveland, Thursday, Sept. 12, at 7:30 p. m.

Visitors welcome to all our services.—Andrew J. Boyles, pastor.

Indian camps are located around the court house at Macon, where the trial of one of their chiefs is being held. The chief has been indicted for the death of a fellow tribe member. Counsel for the defense claimed the right of trial by his own people for the Indian under the treaty of Dancing Rabbit.

Camp Shelby, near Hattiesburg, will be used for training about 42,000 National Guardsmen. The announcement was made by Congressman Colmer who stated that the men would begin arriving in about 60 days.

Fortunate, Says Wm. "It's surprising," said Wm. to Pat as they gazed at a brick cottage that was being built, "how mortar binds the bricks together."

"Whenever will ye get sense?" replied Pat. "The mortar doesn't bind the bricks together—it keeps them apart."

Good News for Women

Every day women are finding their headaches, nervousness, cramp-like pains, other symptoms of functional dysmenorrhea due to malnutrition are helped by CARDUI. Main way it usually helps is by increasing appetite and flow of gastric juices, so aiding digestion, helping build up tone. Periodic distress is also eased for many who take CARDUI a few days before and during "the time." Women have used CARDUI for more than 50 years!

The 1940 Convention of the Mississippi Federation of Women's Clubs, will be held in Jackson, November 5 to 7. Mrs. E. B. Nash, of Indianola is president of the Federation in Mississippi.

Dr. Dorothy Dickens, head of the Home Economics Department of the Mississippi Agricultural Experiment Station at State College has issued a bulletin on "What the Farm Woman can do to improve the Economic Status of Her Family." She gave five ways whereby farm women are saving and might save the family dollar: (1) using time and money efficiently, (2) improving family health, (3) acting in the capacity of partner in the farm business, (4) engaging in non-agricultural pursuits, and (5) guiding sons and daughters in such a way that they will make a valuable economic contribution in the future.

Dr. E. S. Brashier, State Veterinarian, accompanied by his family, is attending the American Veterinarian's Medical Association in Washington, D. C. They expect to visit the World's Fair at New York before returning to Jackson.

According to Representative Bill Colmer the U. S. Government has decided to take over Camp Shelby near Hattiesburg immediately for the training of approximately 42,000 national guardsmen. It is estimated that the government will spend \$750,000.00 to \$1,000,000.00 in construction work at Camp Shelby.

If and when, the national guard is called into service, Governor Johnson states a plan to take the place of the National Guard has been worked out and will be announced soon. The plan was worked out by Governor Johnson, Colonel Benjamin F. McClellan and General Tom Grayson. The organization, according to Governor Johnson will probably take the form of "a home guard."

The Mississippi Unemployment Compensation Commission can not pay benefit to National Guardsmen in training camp, according to C. B. Cameron, executive director because the state law requires that an individual to be eligible must be available for work.

The many friends of former Governor Mike Conner will be pleased to learn of his selection as Commissioner of the Southeastern Conference. Governor Conner is a lover of sports, and will render efficient service in the high capacity of chief arbiter for the Southeastern Conference. Commissioner Conner will continue to make his headquarters in Jackson.

Governor Paul B. Johnson has accepted an invitation from Mayor W. J. Byrne to attend the bridge dedication exercises in Natchez the latter part of September.

It appears that the Colleges of Mississippi are going to do their part in training the man power of the state for service if our country is drawn into war. It is announced that Millsaps College, here in Jackson is expected to turn out 150 trained aviation pilots by next June 30th. Forty-five of that number are already in training, under the tutelage of Mississippi Airways, Inc. They are also training 15 students from Hinds Junior College, located at Raymond, Mississippi. Institutions can always be depended upon to do their part in times of emergency.

Something of the difficulty which confronts those without birth certificates is pointed out by Dr. R. N. Whitfield, Director of Vital Statistics, State Board of Health, who says that thousands in the state are now clamoring for these records of birth. The birth certificate proves age and nativity, which are two highly important facts for active participation in the National Defense program. National defense laws require employment of many thousands who will work in industries devoted to manufacture of aeroplanes, battleships, guns and munitions. Naturally says Dr. Whitfield, Uncle Sam does not want foreigners connected with these highly important positions. For any unregistered birth that occurred more than twelve years ago, the record now must be made on a special blank furnished by the Division of

"NEW MOON" BRINGS JEANETTE MACDONALD TO A. & G. THEATER.

Sunday and Monday, Where
Singing Stars Together for
Sixth Time in Sigmund
Romberg's Spellbind-
ing Drama of a Ship-
Wrecked King of
Buccaneers.

The trio that made possible such outstanding screen successes as "Girl of the Golden West" and "Maytime" has been reunited to bring to audiences the greatest musical romance of all time, "New Moon," starring Jeanette MacDonald and Nelson Eddy, and produced and directed by Robert Z. Leonard.

"New Moon," alive with such song hits as "Lover Come Back To Me," "One Kiss," "Wanting You," "Softly As in a Morning Sunrise," "Rindoleet," "Largo," "Marianne," "Paree," "Shoe Shine Song" and the stirring "Stout Hearted Men," tells the story of Marianne de Beaumanoir, lovely lady of France portrayed by Jeanette MacDonald, and Charles Michon, otherwise known as the dashing political enemy to the King, Charles, Duc de Villiers, portrayed by Nelson Eddy.

Charles and Marianne meet on board a ship en route from Paris to New Orleans, Marianne is going to the new world to take over an estate left by an uncle, Charles, in disguise, is escaping the guillotine by joining a group of men who are to be sold into slavery. The meeting of these two, their love, their life on an island when the boat is shipwrecked, all makes for the type of entertainment that keeps audiences entertained from the fade-in to the conclusion.

This picture will be at the A. & G. Theater, Sunday and Monday.

Achievement Day Presented By Nutrition Federal Project Workers

A representative of The Echo on Friday of last week visited both the former parochial school building, located back church Our Lady of the Gulf, and the Valena C. Jones High School building on occasion of Achievement Day program.

This event was under auspices of federal nutrition project, under direction of Miss Cora Weston, efficient worker in charge. At the Valena C. Jones school building, first visited, here were hundreds, possibly thousands of cans and jars of home-grown vegetables and pears. The women workers who did the work there, were busy in their task of putting up foodstuffs to be used during the winter for free school lunches.

Punch and cake were served the visitors, who thronged the place from 2 to 4 o'clock.

Later The Echo representative visited the Catholic school building, where ladies in charge, headed by Mrs. G. Y. Balize, president St. Margaret's Daughters, were busy with their work.

Here, too, many jars and cans were stored and represented the work of many weeks.

It must be remembered that all products canned are home grown, produced by the women workers representing the canning project. Miss Weston expressed satisfaction at the results achieved.

Lunches free of charge will be served to children unable to pay the nominal fee for planned and balanced meals.

Lunch rooms within Bay St. Louis limits will be conducted at the R. W. Webb Ward School, R. W. Taylor Ward School, St. Joseph Academy parochial school, college day school and at both colored—Valena C. Jones and St. Rose de Lima.

Food for the free lunch rooms is provided for by local sponsors. Expense for cooks and others preparing and serving paid by federal aid project.

Soft Ball Teams Of Local Recreation Center Play at Biloxi, Miss.

On Tuesday night the two soft ball teams from the Recreation Center played a match game on the diamond at the Veterans Facility, Biloxi, Miss. The Red Socks captained by George Summers were defeated by the Double X's, captained by Eddie Oliver in a quick seven-inning game, the score being 9-7.

Through the courtesy of Emilio Dick Cue and W. R. Reinkie, about twenty-five boys made the trip accompanied by Lena Luc, Audrey Oliver and Dorothy Johnson as cheer leaders and Bernard Firpo, Recreation Leader in charge. The boys enjoyed the trip as many had never played on a regulation diamond before.

Mrs. Margaret Hogan, director and Mrs. Emelia Howze, leader, chaperoned the party.

The Evidence
Robinson—Who was that man you raised your hat to?

Green—That was my barber. He sold me a bottle of hair restorer a month ago, and whenever I meet him I let him see what a fraud he is.

See What You Get
"Have any of your childhood hopes been realized?"

"Yes. When mother used to pull my hair, I wished that I didn't have any."

Vital Statistics and sworn to by two persons familiar with the facts according to Dr. Whitfield.

Oldsmobile's styling and advanced engineering principles for 1941 received highest praise from top ranking executives of General Motors Corporation at a special preview of the new cars at Lansing this week. Following a complete inspection of the full line of new Oldsmobiles, Alfred P. Sloan, Jr., chairman of the Board of General Motors, predicted the biggest year for Oldsmobile in the company's history for 1941. Photo shows Mr. Sloan at the wheel of a 1941 Oldsmobile convertible and C. E. Wilson, acting president of General Motors; D. E. Ralston, general sales manager of Oldsmobile; C. L. McCuen, R. H. Grant and Albert Bradley, vice presidents of General Motors. S. E. Skinner, general manager of Oldsmobile is shown beside the new model.

Waveland Activities

Personal and General News Notes of the Week From
Sister City and Vicinity.

Mrs. Oswald Bourgeois of New Orleans spent several days here visiting his relatives the Funk and Marrero families and Miss Agnes Bourgeois. Mr. Bourgeois is an employee of Jackson Brewing Company of New Orleans.

Dr. and Mrs. E. A. Socola and family are among those returning to New Orleans this week.

Miss Hilda Crumhorn and Abie came out from New Orleans to spend Labor Day.

Mrs. J. C. Russell and children motored to New Orleans during the week.

Mr. and Mrs. A. Trawick and family and Mr. and Mrs. Sequin have returned to New Orleans after a delightful stay of several weeks.

The Misses Chadwick entertained at a number of delightful parties for the members of the younger set last week and were largely attended.

A number of little folks were entertained at a beach party by Mrs. Trawick, the crowd motoring to Clermont where it was given.

Miss Vera Mae Savannah has returned to New Orleans after visiting her friend Miss Margie Goelzenleuchter.

MRS. G. E. FERCHAUD
Administratrix of the Estate of Althea Faurie Salles, Dec'd.

NEGRO RESIDENT OF PEARLINGTON FALLS DEAD IN CITY MONDAY

Frank Bates, 48, Victim—
Coroner's Jury Says Man
Died of Natural Cause

Frank Bates, colored, native and resident of Pearlington, this county, aged 48 years, dropped dead while in one of the beer parlors in the vicinity of the railroad depot on the afternoon of Labor Day.

Coroner Heitzmann impounded a jury and a verdict was returned that the man had died from natural causes.

The body was taken in charge by the Fahey Funeral Home firm, prepared for burial and conveyed to Pearlington for last rites.

William H. Mason, vice-president of the Masonite plant at Laurel died in Rochester, Minn., where he had been carried by plane for an operation at the Mayo Clinic. Mason was 63 years of age and was prominent as a chemist having assisted Thos. A. Edison in a number of his experiments. Perhaps his greatest accomplishment was the perfecting of a method of using waste materials from sawmills to make wall-board, furniture and plastic materials, the product being known as Masonite.

The Senate passed the National Guard Training Bill, giving the president authority to call out the guard and army reserves for active duty at any point in the Western Hemisphere, or American possessions outside this hemisphere or the Philippine Islands. Guardsmen with dependents will be allowed to resign within 20 days after being ordered to active duty.

Time to Retire
"I don't see why you suddenly refuse to marry me, just because I asked you for one little kiss."
"Because," replied the girl, "any modern fellow who would ask for a kiss isn't aggressive enough to make a good living."

MOTHER!
don't experiment
with your
Child's Cold

Often, "mere colds" have serious consequences. It is dangerous to neglect a cold—equally dangerous to experiment with half-way measures. Feel safe! Use Vicks VapoRub—the proved external method of treating colds. No risks of constant internal "dosing," which so often upsets delicate digestions and lowers resistance when most needed.

DOUBLE DIRECT ACTION
Just rubbed on at bedtime, VapoRub fights a cold direct—two ways at once—by stimulation and inhalation. This combined poultice-vapor action loosens phlegm—soothes irritated membranes—eases difficult breathing—helps break congestion. Often by morning the worst of the cold is over.

CHANCERY SUMMONS

THE STATE OF MISSISSIPPI
To Irvin William West.
You are summoned to appear before the Chancery Court of Hancock County, in said State, on the First Monday of November, A. D. 1940, to defend the suit No. 4377 in said Court of Martha Barber West, wherein you are a Defendant.
This 4th day of September, A. D. 1940.
(SEAL) A. G. FAYRE, Clerk.

The Sea Coast Echo

City Echoes

—Mrs. Thos. J. McCaleb spent Monday visiting at the home of her relatives in Biloxi.

—Mr. and Mrs. Robert Fee of New Orleans, are spending their vacation with Mr. and Mrs. C. C. Fritsch, at their home in Citizen street.

—Mrs. E. C. Carrere has been ill the past two weeks with a persistent fever at her home on the Waveland beach front. Friends will learn with interest of improvement in her condition.

—Mr. and Mrs. Bernard Younger and Miss Mary O'Neal were guests in the Edward Heitzman, Sr., home over the Labor Day week-end.

—Mr. and Mrs. Joseph Blaize are presently visiting at the home of Mrs. Blaize's mother and family, Mrs. A. A. Kergosien, on Carroll avenue. They are here from their home in Jasper, Ala.

—Mr. and Mrs. George Seuzenau, Jr., and young daughters, Jeanne, and Diane, of New Orleans, are the week-end guests of Mr. and Mrs. George Seuzenau, Sr., at their home on Keller avenue.

—Miss Josi Rita Olsen, recent graduate of Bay High School, will leave September 9 for Baton Rouge to matriculate at Louisiana State University.

—Miss Carol Stevenson has returned from a visit of several days in New Orleans with Mr. and Mrs. Frank Vardin and daughters, Helen and Dolly, who motored here on Labor Day.

—Miss Lillian Olsen of Bay St. Louis and Miss Mildred Otis, of Logtown, are preparing to leave for Hattiesburg, where they will attend the state college there.

—Miss Jewel Toul, popular member of the Bay High School student body, enjoyed a ten day visit in New Orleans with relatives and friends there.

—Mr. and Mrs. Howard Cuevas have had a visit from the stork, a daughter being born to Mrs. Cuevas at the local King's Daughters' Hospital on Sunday morning.

—Mr. and Mrs. John Damborino and daughters spent the Labor Day week-end at McComb, Miss., where they were house guests of Mr. and Mrs. M. E. Bardon, former Bay St. Louis residents.

—Mrs. P. V. Lacoste returned the latter part of last week from a three-month stay in Chicago, where she visited at the home of her niece and family, and is at her home on the beach boulevard.

—Mr. and Mrs. Kenneth W. Pepperdine came out Friday afternoon from New Orleans and are spending a two-week vacation period at their lodge out Blue Meadow Road, on Jordan river. They plan to spend the fortnight in outdoor pastime.

—Mr. and Mrs. James Jones entertained a number of guests over Labor Day week-end among whom were Mr. and Mrs. Aubrey Kenner of Tyler, Texas, and Mrs. Thelma Randolph of New Orleans.

—Leroy Nelson, who now resides at Kreole, Miss., where he is employed in the clerical department of the large paper mill there, visited with his mother and family over last week-end.

—At sundown each evening, on the bridge paths of Bay St. Louis can be seen a number of equestriennes who enjoy cantering through the woods and popular among these are Mr. and Mrs. Alfred Vassalli and Miss Jane Juden.

—Students for St. Stanislaus College came out from New Orleans Wednesday afternoon. Thursday was registration day and the number of enrollees exceeded that of last year, it was stated. Regular classes will begin this Friday.

—Miss Lucille Murphy, valued attachée of the clerical department Merchants Bank & Trust Company, will spend next week in vacation pursuit at the home of her parents, at Gainesville.

—Miss Ruth Schreck, daughter of Mr. and Mrs. Adolph Schreck who is employed in New Orleans, returned to the Crescent City on Monday morning after enjoying the holidays with her parents here.

—Mr. and Mrs. John B. Fastenling and interesting little sons have leased the dwelling owned by Mrs. Corinne de Montluzin Lewis on No. Beach Boulevard and will henceforth reside there.

—Mr. and Mrs. Edwin Fuchel and interesting infant came out from New Orleans Sunday and spent Labor Day with his mother, Mrs. C. J. Chadwick, and family, at their home on Keller avenue.

—Mr. and Mrs. Bidwell Adam and young son of Pass Christian passed through Bay St. Louis a few days since en route to Arizona, where they will spend a while and plan to visit California before returning home. They were making the long journey by motor.

—Mr. and L. D. Holdridge and son of Baton Rouge, La. were the guests of Mrs. Victor Lizana and family at their home in Waveland on Labor Day, Mrs. Holdridge being Mrs. Lizana's sister.

—Mr. and Mrs. William Briggs and family, of Baton Rouge, have leased one of the Charles A. Breath properties for the winter in order they may go to school here. They arrived during the week and have already taken possession of their newly-located home.

—Mr. and Mrs. Jesse Gray entertained at their home on Uman avenue for a few days Mr. and Mrs. J. V. Pace of Starkville, Miss., uncle and aunt of Mrs. Gray who had been visiting along the Coast and staying at Gulfport for a vacation period.

—Mrs. G. Y. Blaize contemplates departing on Tuesday for a visit with her sons, Louis and G. Y., Jr., in Dallas, Texas, returning home the end of this week with the latter who will enjoy his annual visit here after a few days in Marksville, La.

—Mr. and Mrs. Louis Bourgeois, who purchased the dwelling at 634 North Beach Boulevard, wherein they have resided for the past year, have leased their home to some new residents and will go to Baton Rouge where Mr. Bourgeois will be able to enjoy more time with his family between his travels as a salesman.

—Mr. Bill Witter, who efficiently and courteously presides at the lobby of the A. & C. Theater nightly, is replacing Mr. Charles Zerr in the operating room and will continue until the latter will be out again and able to resume the post of duty he fills so well.

—Miss Julia Blaize, member of the Bay High School faculty, left recently for a visit to the home of her brother and sister-in-law, Mr. and Mrs. Reginald Blaize, at Houston, Texas, also, visiting other relatives, Mr. and Mrs. Erasmus Olivari and family.

—Mr. and Mrs. H. O. Pate, and family, who spent the summer in the cozy and comfortable apartment adjoining the residence of Mr. Charles A. Breath, Sr., left the early part of this week for their home in New Orleans. So delighted with their stay, they plan to return for next summer.

—On Sunday night Mrs. Sheldon Seuzenau entertained at cards at her home on Carroll avenue in honor of her sister-in-law, Mrs. George Seuzenau, Jr., with the following ladies enjoying the party, besides the honoree, Mesdames F. J. Nelson, Francis Nelson of New Orleans, and the Misses Adelaide Heitzman, Elise McCaleb and Marjorie Seuzenau.

—Mr. and Mrs. Joseph Cain and little daughter of Gulfport joined Mr. and Mrs. Edward Heitzman, Jr., in a surprise visit to the home of Mr. and Mrs. George Heitzman on Booker street on the occasion of Mr. Heitzman's birthday on last Friday where all partook of an excellent fish dinner for the occasion.

—Mr. John Payton and family who visit in the Praetorius home so frequently are enjoying a two weeks vacation here at present. Mr. Payton, an attachée of the Southern Pacific Steamship Lines with offices in New Orleans, states that his company is enjoying a record business just now with added tonnage shipping war materials abroad.

—Mr. Harry Caldwell and wife, Mr. and Mrs. John Caldwell and John and George Caldwell, all residents of Ashville, N. C., have returned to their home after a visit to relatives in New Orleans and to Bay St. Louis friends. While here for the week-end they visited at the home of Mr. Charles A. Breath, Sr., and his daughter, Mrs. Josie Olsen. The party on this delightful trip were accompanied by Mr. James Young. Many of the older residents well remember the Caldwell family.

—After celebrating the first birthday of their son, T. R. Jr., at their home on Carroll avenue, Mr. and Mrs. Theodore T. Robin left the latter part of last week for their annual visit to Houma, La., accompanied by the two young daughters of the house. They are visiting at the home of Mrs. Robins mother and family.

—Mr. and Mrs. Cliff C. Ferrell are receiving the best wishes and congratulations of their friends on the occasion of their first born, a daughter, who first saw light at King's Daughters' Hospital, at Gulfport, Saturday morning, August 31, 1940; both mother and child doing remarkably well. Mr. Ferrell is the local resident representative for the Coast Electric Power Association, with headquarters in Bay St. Louis.

—Mrs. W. O. Allen of Chunky, Miss., and her brother-in-law, and sister, Mr. and Mrs. Evans Wall of Baton Rouge, La., spent the holidays here at the Welch home on South Beach. While here, they were visited by their relatives, Mrs. A. Goe of Gulfport, and her daughter and granddaughter, Mrs. Archie Cochran and little daughter, Betty, of Washington, D. C. Mr. and Mrs. Wall left for their home on Monday while Mrs. Allen departed on Tuesday morning.

VINSON SMITH IS RE-ELECTED HEAD OF SEAFOOD BODY

Resident of Pass Christian Again Honored—Jos. O. Mauffray Represents Bay St. Louis.

Vinson Smith, Sr., resident of Pass Christian and well known in Bay St. Louis, Saturday was re-elected president of the Mississippi Seafood Commission.

F. W. Elmer, Jr., of Biloxi, was named secretary, succeeding Dr. R. M. Mosley. Mr. Elmer, an attorney, formerly was Biloxi city judge and attorney and later United States commissioner there. He was in the Legislature in 1920.

State Senator George R. Smith of Pass Christian was named attorney. M. H. Dees, Biloxi automobile dealer, who succeeded J. M. Lopez, assumed his duties as a member of the commission. Other members present were, C. S. Spencer, Ocean Springs; Joseph O. Mauffray, Bay St. Louis, and John Cole, Pascagoula.

The commissioners' salaries and expenses average about \$600 a year; the attorney gets \$900 and the secretary \$1000.

The retiring secretary has served for eight years.

—On Tuesday of this week, Mr. and Mrs. George Guilbault were the recipients of a visit from their son, Marius Guilbault, who is a member of the personnel of the United States Engineer's Corps at Lake Charles, La., and whose visits here are not frequent, hence most enjoyable. Mrs. Guilbault motored as far as New Orleans with her son early on Wednesday morning.

—Mr. and Mrs. John Trapolin, who spent the summer in one of the beach cottages at Henderson Point, after spending a few days of this week at Edgewater Gulf Hotel, returned to New Orleans for winter. So pleased is Mr. Trapolin and his family with this section they purchased a building lot at the Point and will have a summer home built thereon in time for early next summer.

—Mr. and Mrs. Louis S. Bourgeois, who live on North Beach, left this week for Baton Rouge, La., where they plan to live in future. Mr. Bourgeois is a travelling representative for Dameron-Pierson Company of New Orleans and finds by living in Baton Rouge he will be more centrally located in the territory he travels. His Bay St. Louis home has been leased to Mr. Melvin C. Britlove, of Jamestown, N. Y., who will reside there with his family—new additions to Bay St. Louis' fast-growing population.

The newest plane developed by the army is capable of a speed in excess of 500 miles per hour, the world's fastest plane. The ship carries a rapid-fire cannon capable of firing a one pound shell, and four machine guns. A large number have been ordered by the army and a production of 100 per month is expected.

Chief Justice Sidney Smith, of the Mississippi Supreme Court, has been nominated for another eight-year term at the age of 72. His health is still good, however, and he is mentally alert.

A five-year search for the upper set of teeth was rewarded by recovery of the denture when a New Orleans man found them in an oyster bed. Swimming over the spot five years ago, he gagged on a mouthful of water and lost the plate. Tuesday he and a friend were swimming and the friend dived for oysters, bringing up one fastened to the teeth.

Preferred

"Your finance is a charming man. He has a certain something."

"Yes, but I would rather he had something certain."

Sea Lawyer—I tell you I know what I'm talking about, I'm a self-made man.

Mess Cook—Well, all I gotta say is you knocked off too soon.

Madge—If we are going to be married, you must give up smoking, drinking and your clubs. Now isn't there something you could give up of your own accord?

Ted—Yes, all idea of marrying you.

Not in De Head?

"I was sorry to hear of the death of your wife. She was a good woman."

"She was that all right. She always hit me with the soft end of the broom."

WITH THE FISHERMEN AND OTHER SPORTS

Word comes from Waveland that Felton and Ducre Bourgeois, ardent fishermen made a trip to Half Moon Saturday and returned with 150 speckled trout, averaging about 2½ pounds. The catch seems to have been the largest made during the summer, and is a good sign that the speckled beauties are hedging this way, according to Mayor Bourgeois of Waveland who sent in the interesting news.

More mackerel have been caught over the weekend on the railroad bridge as reported by those capturing the delicious fish. Different from the week previous the fish were biting better in the afternoon than in the mornings.

Several of the Brothers from St. Stanislaus College making a trip out in the Sound as guests of Ben Hill reports a large catch of mackerel and a big jack fish.

Several reports from the Pearl river section tell of some nice strings of green trout and perch. The water is now at its best.

Many fishing trips were made by visitors and local fishermen over the Labor Day week-end. Camping parties were numerous.

A party composed of J. H. Scharff and Leonard Jones, of Memphis, Tenn., and Joseph R. Scharff, local groceryman, spent part of Sunday on the railroad bridge trying their luck at catching mackerel. Both Mr. J. H. Scharff and Mr. Jones succeeded in landing one mackerel each, but Joe could not match them. There is goit etiquette, bridge etiquette as well as fishing etiquette and we think that Joe just wanted to display a little of this fishing etiquette by not trying to outshine his guests.

The annual golf tournament held Labor Day week-end at Pine Hills was a complete success. Many out of town visitors were noted among them being A. K. Roy, Norwood Hingle, Sr., Baldwin Allen and Fred Vaccara of New Orleans; Fred Wright, J. C. Rich, O. J. Deaux of Gulfport; Beasley and Dubuisson of Biloxi; Lewis, and Hunter-Weddington, State Amateur Champion of Mississippi, of Meridian and party; Robert L. Genin, C. C. McDonald, Oscar Bragg, Sr., Oscar Bragg, Jr., L. S. Elliott of Bay St. Louis. The boys from Delisle, in full force as well as several from Pass Christian. Local golfers made a fine record and many were winners of the handsome trophies awarded by Mr. S. H. Dedeaux manager of the club.

C. C. McDonald, local golfer while playing against the state amateur champion had to play an extra hole in order to be eliminated by the champ. It was a beautiful match and C. C. is to be complimented on splendid playing. Better luck next time, Mac.

Now that the summer season is about over it will be time to oil up the tackle and be ready for the trolling season. According to best estimates this season will be at its best for speckles, regardless of the extreme winter of last year, which killed many fish by freezing.

So ardent a fisherman is W. S. Morrill that he has a leave of absence from the local Rotary Club until after the fishing season. Nothing is too important to interfere with his fishing. He caught the limit of green trout up Jordan river Wednesday.

Very little is being heard just now of the fox hunters, but the boys engaged in this kind of sport are still active and with the cooler weather ahead many fox will have a tough time dodging the excellent dogs and their masters hereabout.

Hunting Licenses Now Ready For Purchase.

Game Warden Randolph Bourgeois has given notice that he has for sale at his home at 449 Ballentine street the new 1940-41 hunting licenses. Now is the time to purchase same and be on the safe side. A license is necessary and will eliminate embarrassment and paying of fines. You can either purchase a county or State License.

HAPPY BIRTHDAY TO YOU.

Wednesday, August 28th was Margalo Damborino's 9th natal anniversary. For the occasion 9 girl friends were invited to participate in an informal celebration of the event at the family home on Union street. Nine was the magic number every quantity limited to this number. Among the clever little features of the afternoon, in addition to original entertainment, was the idea that provided each child with a cake of her own, the icing carrying the identified name. Needless to say the birthday party was most enjoyable and Margalo enjoyed her friends sharing in her happiness. Numerous remembrances added to the interest of the memorable afternoon of '40 of this and 9 of that.

Personal and General

MRS. BURBANK'S LOVELY LUNCHEON-BRIDGE AT HOTEL REED WEDNESDAY.

Mrs. H. P. Burbank was hostess Wednesday afternoon at Hotel Reed to a luncheon bridge to which many were present and easily proved one of the charming affairs of the immediate season.

A feature of the afternoon, and doubly appropriate just now, was the presentation of a lovely pin displaying the colors of the American flag to high scores at each table.

Mrs. Burbank plans to leave shortly for New Orleans where she will spend most of her time, however, visiting here frequently, with her son, Fortune, at St. Stanislaus. Hugh Burbank, older son who finished at college last year, will attend Tulane.

Mrs. Leo E. Kenney and young daughter, Miss Irma Louise, have returned from their visit to Battle Creek, Michigan, and Chicago, visiting friends at the latter place. At Battle Creek they were guests at the famous sanitarium and a check-up there revealed both were in the "pink of condition" thus rendering their visit and trip purely a delightful social one.

BUFFET SUPPER AT JUDEN HOME FRIDAY.

On last Friday evening, Mr. Peter Juden entertained a group of the younger set at a buffet supper at his home on Court street, after which the entire party motored to Gulfport and attended the dance on the Markham Roof.

In the party were the Misses Carolyn Marshall, Lionell Arceaux, Everett and Dottie Eaves, Nitsie Duncan, Dottie Waters, Delbert Strong and Peggy Lemarie, of New Orleans and Nigel Rafferty of Pass Christian, Miss Jane Juden, Walter James and Milton Phillips.

GAY PARTY ON MARKHAM ROOF HOTEL.

Another gay party seen at the Markham Roof on last Saturday evening were members of the school set who will depart for colleges soon and among which were Miss Marie Louise Boncacez and Messrs. John W. Bryan, Walter James and Milton Phillips, Mark Solomon and C. C. McDonald, Jr.

REPRESENTATIVE AT OLE MISS FROM BAY CITY.

University of Mississippi this year will have a nice representation from Bay St. Louis with the following young people attending: Misses Mildred Cagle, Shirley Smith and Rita Benigno, and Messrs. Herman Baxter, Mark Solomon, Warren Laroux, Walter James Phillips, Emile Gex and Alvah P. Smith, Jr.

To Louisiana State University go James Arnold and Clarence Mitchell, and Miss Josie Olsen and Miss Pauline Givens.

JACK WESTON GIVES ENJOYABLE BARBECUE.

The school and college set were guests on last Saturday evening at a barbecue given by Jack Weston, son of Mr. and Mrs. Roland Weston, at their home on S. Beach Boulevard which was one of the enjoyable events of the summer season.

The Misses Bessie and Mary Scalfide and their brother, Dominic, enjoyed a visit last week-end to McComb City, where they were the guests of Miss Mary Thurman and Mr. Percy Kenedy, the latter who returned to Bay St. Louis for a few days visit with them at their home.

Mr. and Mrs. Roland Webb and interesting children, who have been visiting under the parental roof with Dr. and Mrs. C. L. Horton, have returned to their home in Galveston, Texas, after a vacation sojourn to Bay St. Louis.

Mrs. A. Claverie, mother of Mrs. E. C. Carrere, who was recently taken to New Orleans ill with an insistent and continued fever will be glad and her many friends will be glad to learn of her continued improvement. Mrs. Claverie, formerly residing in New Orleans, is a charming acquisition to Bay-Waveland society.

Dr. and Mrs. A. P. Smith are enjoying a visit from their daughter, Mrs. Charles W. Clark, who is spending the week, before returning to her home in Oklahoma City. Mr. A. P. Smith, Jr., who has been spending the past year or more in Oklahoma, is expected home daily and will begin the study of medicine. He will take his pre-medical course at Ole Miss, while his sister will study law the same university. They will both leave shortly for Oxford, Miss.

Mrs. M. W. Briggs ENTERTAINS AT LUNCHEON WEDNESDAY AFTERNOON.

Mrs. M. W. Briggs was hostess Wednesday noon to luncheon at Hotel Reed to a group of friends, complimenting Mrs. Russell Pond, of Greenville, Miss., who is visiting at the home of Mrs. H. S. Pond, of 712 South Beach Boulevard. This was one of the several charming affairs given for Mrs. Pond of Greenville.

Mrs. C. J. Chadwick is spending today in New Orleans, attending a bridge party by a club which holds session twice a month, a social group that have been organized over a long period of years.

THE A. G. SHEARS RETURN HOME FROM TRIP TO PACIFIC COAST.

Mr. and Mrs. A. G. Shear returned home Tuesday night after a two months' absence, during which time they motored to California, where they spent a month at Long Beach, occupying one of the apartments at the swanky Venetian Apartment Hotel on Seaside Boulevard. From there they motored to San Francisco in their Cadillac and visited the fair on Treasure Island. They finally motored homeward leisurely and spent three days at El Paso and went over the border at this point and visited Old Mexico. On thru they gravitated further homeward and motored directly Wednesday from Galveston, Texas, where they enjoyed the surf from the gulf.

Even though they had a glorious trip and visit to different points on the Pacific Coast, they expressed much satisfaction at being home again and back to Bay St. Louis where they have many friends.

MRS. EMMETT BETZER ENTERTAINS BRIDGE PARTY AT HOTEL REED.

One of the large summer parties was that given on last Thursday afternoon by Mrs. Emmett Betzer in the sun parlor of Hotel Reed when Mrs. Betzer entertained at luncheon and bridge in a most charming manner.

Comprising four tables at which that ever-interesting diversion, bridge was the highlight of the afternoon were besides the hostess, Mrs. Betzer, the following ladies: Mesdames Harold Weston, Leo Seal, Coney Weston, Walter J. Gex, Jr., Milton A. Phillips, Horace Kergosien, Lucien M. Gex, Charles A. Clark of Oklahoma City, N. L. Carter, Herbert Hamilton, Alvah P. Smith, James A. Evans, Ramell, James W. Bryan, T. T. Robin, W. Scott Morrill and Misses Margaret Green and Marie Louise Boncacez, the latter of New Orleans.

MRS. HARRY S. POND ENTERTAINS IN HONOR OF GREENVILLE VISITOR.

The Pond home, where interesting people are always in evidence, was the scene on last Friday of a luncheon for several out-of-town guests who visited with Mr. and Mrs. Harry S. Pond and Mrs. Pond's sister, Mrs. Russell Caffery, for the day, and in honor of Mrs. Russell C. Pond of Greenville.

Enjoying the hospitality of the Ponds were Mesdames Margaret Costley, Ruth Moore, William Meriman, John Girault and C. W. Culbertson, all of New Orleans and friends of young Mrs. Pond.

Mrs. Pond and her little daughter, Mary Linn, were guests in the home of Mr. Pond's mother for the holidays.

MR. AND MRS. SCHARFF ENTERTAIN INFORMALLY AT WEINER ROAST.

Mr. and Mrs. Joseph R. Scharff, who reside at 114 Carroll avenue, entertained quite a large number of friends on the spacious and lovely grounds of their home Sunday night at what was termed a "weiner roast." However, so diversified were the entertainment features at fresco that the affair was more than a "weiner roast" or "Weiner boil," which ever you may choose to call it. Many forms of entertainment prevailed. Badminton was a principal feature. There were croquet and dives games of the kind. Many benches and other comfortable seats were placed about under the protecting and wide-spreading boughs, possibly over a century old.

The weather of the evening was most propitious and everything seemed to have conspired to make this open air evening of entertainment one of unusual pleasure and success. The yard was especially illuminated with strings of incandescent lights.

Mrs. Scharff was assisted by her sister Mrs. Levine, house guest from Memphis.

TO ENTERTAIN AT COCKTAIL PARTY FOR VISITING GUEST.

Mrs. Dennis F. Burge, will entertain at a cocktail party this Friday afternoon at her home, 617 North Beach Boulevard, complimenting Mrs. Charles W. Clark, visitor here from Oklahoma City.

MRS. J. ROLAND WESTON'S LOVELY AFTERNOON PARTY.

Mrs. J. Roland Weston was hostess Wednesday afternoon to a double foursome at her hospitable and attractive home, 702 South Beach Boulevard. Desert courses were served at a later hour. This was one of the outstanding enjoyable afternoon card parties of the socially lively week.

MRS. M. W. BRIGGS ENTERTAINS AT LUNCHEON WEDNESDAY AFTERNOON.

Mrs. M. W. Briggs was hostess Wednesday noon to luncheon at Hotel Reed to a group of friends, complimenting Mrs. Russell Pond, of Greenville, Miss., who is visiting at the home of Mrs. H. S. Pond, of 712 South Beach Boulevard. This was one of the several charming affairs given for Mrs. Pond of Greenville.

Mrs. C. J. Chadwick is spending today in New Orleans, attending a bridge party by a club which holds session twice a month, a social group that have been organized over a long period of years.

THE A. G. SHEARS RETURN HOME FROM TRIP TO PACIFIC COAST.

Mr. and Mrs. A. G. Shear returned home Tuesday night after a two months' absence, during which time they motored to California, where they spent a month at Long Beach, occupying one of the apartments at the swanky Venetian Apartment Hotel on Seaside Boulevard. From there they motored to San Francisco in their Cadillac and visited the fair on Treasure Island. They finally motored homeward leisurely and spent three days at El Paso and went over the border at this point and visited Old Mexico. On thru they gravitated further homeward and motored directly Wednesday from Galveston, Texas, where they enjoyed the surf from the gulf.

Even though they had a glorious trip and visit to different points on the Pacific Coast, they expressed much satisfaction at being home again and back to Bay St. Louis where they have many friends.

NEPHEW OF GERALD PRICE INJURED BY PASSING AUTOMOBILE

Six-Year Old Lad From Orleans Sustains Broken Leg—First Aid At Local Hospital.

Charles Price, six-year-old son of Mr. and Mrs. Edward Joseph Price of 275 Jasmine street, New Orleans, was injured Monday afternoon, when he was struck by a passing car driven by a Mr. Blacklock. He was taken to the King's Daughters Hospital here, where it was found that his leg was broken between the knee and hip and he also suffered head wounds and a bruised shoulder. He was later taken by ambulance to the Baptist hospital, New Orleans.

Mr. and Mrs. Price were spending their two weeks vacation here and the children had gone for a ride and as Charles alighted from the truck at Beach and Leonard avenue the car struck him. He is a nephew of Gerald Price local officer of this Beat.

Farmers Ask Four Million Seedlings.

Farmers have already ordered 4-101,000 pine and black locust seedlings for delivery during the coming winter, according to Richard C. Allen, Nurseryman for the Mississippi Forestry commission. These orders do not include 4,250,000 trees contracted for by the AAA. Apparently the 12,600,000 trees available will be ordered within the next month or two.

The AAA payment is \$7.50 per acre for planting 1,000 trees per acre, with a 60 percent survival, and the seedlings cost \$2.00 per thousand delivered to the farmer, according to Mr. Allen. Orders should be placed with him at Mt. Olive.

CITY PUBLIC SCHOOLS.

Regular monthly meeting of the City School Board was held Wednesday evening, with President James A. Evans in the chair. The regular routine business was transacted.

City schools will open today (Friday) for registration. Regular session will begin Monday. There is every indication, it was stated that the enrollment this year will by far exceed all others for previous years. Supt. S. J. Ingram says the outlook for an active and most successful year is promising from every angle.

NEWS NOTES FROM THE LOCAL KING'S DAUGHTERS HOSPITAL.

Mrs. Howard Cuevas and baby daughter were dismissed from the hospital the 4th. Both mother and baby doing nicely.

Mrs. Ora Holden of Logtown was dismissed.

Mr. and Mrs. Lawrence Favre announce birth of a fine son at the hospital Labor Day, both are fine.

Mr. Edward Nelson is a patient at the hospital. He was stung by a stingaree while in swimming.

Stopping for a brief visit with Mrs. Harry S. Pond and family at their home on S
